

I. Structure and Guidelines

The purpose of this service manual is to provide an orientation for general service work in District 10 of the Hudson Mohawk Berkshire (HMB) Area 48. This manual outlines practices and procedures that have proven effective for district operations. It also helps ensure continuity in procedures as members rotate through positions.

Alcoholics Anonymous, our fellowship, has been given the Three Legacies: Recovery, Unity, and Service. These guidelines cover how the Legacy of Service is implemented and carried out within this district. These guidelines have only one purpose - to provide a clear and concise reference for those who are involved in District 10 service. It outlines, in a general way, the duties and responsibilities of those serving within the District.

These guidelines are not to replace or override the information set forth in the AA Service Manual, but are to be used along with and as a supplement to the Manual. These guidelines are designed to be more specific in delineating the responsibilities and duties of those serving in the District and to cover other policies and procedures specific to District 10.

District 10 shall be guided continually by the general warranties contained in Concept XII of the Twelve Concepts, namely that the District *shall observe the spirit of the AA Tradition, taking great care that the District never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample prudent reserve, be its guiding financial principle; that no District member ever be placed in a position of unqualified authority over any others; that all important decisions be reached by discussion, vote, and whenever possible by substantial unanimity; that no District action be personally punitive or an incitement to public controversy; that it shall never perform any acts of government; and that it always remain democratic in thought, spirit and action.*

II. District Geographic Boundaries

District 10 of HMB Area 48 covers approximately the area of Essex, southern Franklin, and Clinton County in New York State. It is part of the Adirondack Cluster, which also includes Districts 5, 10, 13, & 19. For a map of the District and Area, please refer to the HMB Area 48 meeting schedule, which is published annually. The map is also online at aahmbny.org.

III. District Committee

The business of the District is carried out by the District Committee, which consists of the General Service Representative (GSR) from each group in the District along with the elected officers, committee chairs and other service members. All AA members in the District are invited to attend district committee meetings.

IV. District Service Positions

District 10 is served by a number of AA members who agree to participate in AA service at the District level. These service positions include GSRs, District officers, committee chairs and their alternates. GSRs are elected or appointed by each group in the District according to each group's own decision-

making process. District officers, committee chairs, and their alternates are elected positions at the District level.

Basic Roles and Responsibilities of All Service Positions

Attendance at district committee meetings is a part of the responsibilities of every GSR, elected officer, and committee chair.

Elected officers should submit monthly reports at each district meeting, or if unable to attend, submit written reports prior to the meeting as part of their accountability to those who have entrusted them with their responsibilities.

All committee chairpersons should have an involved Alternate if possible. The chairpersons or their alternates are expected to submit a monthly report either in person at, or to the DCM or Alternate DCM in advance of, each monthly district meeting.

Committees should consistently strive for effective ways to carry the message by both new initiatives and through following up on service work already underway.

All committee chairs are also urged to know their counter-parts in other Districts in the Area, coordinate with them when possible, and attend Area events.

Removal of Officers or Committee Chairs

If an officer or committee chair misses, three or more consecutive district meetings unexcused or explained the DCM shall contact the person to determine if they wish to stay as an officer or chair. If they wish to continue, then the DCM will remind them of their obligation and tell them they must attend the next district meeting. If the person does not wish to continue then they must resign the position and open it up to a midterm election.

If an officer or chair continues to be absent from three or more district meetings or if the District 10 members believe that the officer or chair is not performing their duties and is a detriment to the service of the district, a member can bring this matter up before the District. After discussion and debate, the district may ask the DCM to discuss and resolve this matter with the person or, upon a two-thirds vote in two consecutive meetings, the group can remove said person from office and open the position up for election.

A. General Service Representative (GSR)

All AA Groups in our District are encouraged to elect or appoint a GSR and an Alternate GSR. GSRs are expected to attend all monthly District meetings and are encouraged to attend all Area events. GSRs are voting members of the District 10 and HMB Area 48 and are responsible for carrying the voice and vote of their group.

Alternate GSRs are encouraged to attend these same events and should attend whenever the GSR is unable to do so.

While GSRs are not required to serve on any district committees, they are always welcome and encouraged to do so.

GSRs provide group reports or updates at the monthly district meetings. GSRs are encouraged to use the district meetings as a sounding board for feedback and input.

General Service Representative (GSR) Reports

7th Tradition

Responsibility Declaration

You will want to take some notes from the district meeting. Here are some things to consider. . .

- What issues/topics are being discussed?
- Did you vote? What did you vote for?
- What decisions/plans were made? Who will be responsible for those decisions/plans?
- What upcoming events should your group members know about? (There are usually flyers available for you to take with you and photocopy).
- What opportunities for service beyond the group level exist?

Put the info together into a brief report and let your group members know what AA is up to beyond the walls of your home group!!

In terms of GSR reports, here are a few things to consider. Keep in mind that we are interested in what is happening with your group and how the district can help. . .

- What's going on in your home group? Any problems?
- Issues with _____ ?
- Changes in meeting format or time? Is your meeting information correct on the latest meeting list? (Check with the Records person if you are not sure).
- Is attendance good? Any big increases or decreases lately?
- Any special group events coming up?

If your group has "extra" money (money above your prudent reserve), are you considering making donations to the District, the Area, and the General Service Office (GSO)?

The following are the addresses for where to send contributions from your group:

HMB District 10
PO Box 1807
Plattsburgh, NY 12901

HMB Area Association
Rte. 30, #114
118 Polar Plaza
Amsterdam, NY 12010

General Service Office
PO Box 459
Grand Central Station
New York, NY 10163-0459

As a GSR, you also represent your group at the Area events. There are seven each year. If you are unable to attend any of these events you may want to consider asking one of your home group members to be an Alternate GSR to fill in for you where needed. A calendar of events and flyers for the events will be provided as they are available.

Making Decisions as a Group

Putting Forward a Motion for Action

A *motion* is a proposal that a member makes in order to ask all voting members to take action on or to take a stand on an issue. Only members that can vote on motions may make motions.

- New motions cannot be made when any other motion is on the floor. Members may propose to make amendments to a motion that is on the floor.
- Obtain the floor by raising your hand.
- Make Your Motion in clear and concise manner by stating: "I move that we
- Another member may second your motion or the Chairperson will call for a second.
- The Chairperson States Your Motion. The Chairperson will say, "It has been moved and seconded that we ..." thus placing your motion before the meeting for consideration and action.
- Once your motion is presented to the membership by the Chairperson it becomes "assembly property," and must follow the amendment procedure below to be modified.

Discussing and Debating the Motion

- The time for you to speak in favor of your motion is at this point in time, rather than at the time you present it. The person who moves or makes the motion is always allowed to speak first.
- All comments and debate must be directed to the Chairperson.

The membership then either discuss and debate your motion, or may move directly to a vote.

Any member may speak on a motion, but should wait until other speakers are finished before speaking for a second time.

The mover may speak again only after other speakers are finished, unless called upon by the Chairperson.

Putting the Question to the Membership

- The Chairperson asks, "Are you ready to vote on the question?" If there is no more discussion, a vote is taken. Alternately, a member states, "I call the vote" when it is their turn to speak.
- Calling the question requires a second and requires a simple majority to pass. This action is not debatable.
- The person calling the question must be recognized and speak in turn. Calling the question out of turn or interrupting those who have been waiting to speak, is out of order and does not have to be recognized by the Chair.
- The person calling the question may not address the motion prior to calling the question.

Voting on a Motion

At the discretion of the Chair, one of three methods of voting will be used:

- By Voice - The Chairperson asks those in favor to say, "Aye" those opposed to say "no", and ask for any abstentions. The only reason to abstain from the vote is if you could personally gain or profit from the motion. Any member may move for an exact count.
- By a Show of Hands - Each member raises their hand until all hands are counted. This method is used for counting dissenting votes also.

- By Ballot - Members write their vote on a slip of paper; this method is used when secrecy is desired, such as during elections of committee members. (Please see Third Legacy voting in your service manual for further instructions).

Minority Opinion

The minority opinion is very important to AA and helps to preserve our Traditions.

Following a vote, the Chairperson will ask to hear from the minority opinion. The Chairperson can choose how many minority opinions will be heard. The purpose is to persuade even one person from the majority to change their opinion and move for reconsideration.

If any member who voted on the prevailing side of the question raises their hands, the request to reconsider a vote is considered made and seconded and discussion resumes on the matter as if the original vote had not taken place.

This is not discussion, and no rebuttal by a member of the majority is allowed.

If the motion that is being reconsidered is not debatable, then the motion to reconsider is not debatable.

A matter may be reconsidered only once. Motions to reconsider or table cannot be subject to a motion to reconsider.

Motions to reconsider must be made at the same meeting at which the vote being reconsidered was taken.
