GSR Reports:

Jessica (GSR)/Kerry (alt): Spiritual Foundations: There is nothing new to report. The numbers are consistent.

Sharon: Diamonds in the Rough: All is status quo; zoom meetings Monday/Thursday with about 10-12 people each night. Maureen F. is celebrating 8 years this month.

Renee: Westport: There are usually 6-8 people Monday night at 7:30 at the Federation Church. Solid sobriety!!

Vern: KISS Plattsburgh: The meetings are going well, Saturday night was packed!! Masks still required.

Tommy M.: Awakenings: The numbers are very good; they have also made donations to D10 and GSO, \$300 each. Group members also helped CLEAN the Club 12 building...now that is ACTION!!!

Pete: Elizabethtown: Tuesday night has smaller numbers; Saturday better numbers. Masks still required. Deirdre celebrating 10 years this month.

Chuck: One Day at a Time: small numbers at the St. Bernard's in person meeting; the Baptist Church Saturday meeting has a little lower numbers than usual; all else doing well.

Jackie: Tupper Lake: All three meetings have very low attendance due to weather, members traveling, and covid exposure worries.

Walter: We Agnostics: still a hybrid meeting with lots of spirited discussion!! Amy added that Bill G. is celebrating 42 years on Wednesday night...way to go, Bill!!!

Peter Y: Ausable/Wilmington: The meetings are still in person and going as usual.

Bits n' Pieces: The Champlain meeting at 7:30 pm needs support.

Does anyone need schedules and how would it be best to disseminate schedules to groups??

Port Henry meeting is inactive but still in the meeting schedule. GSR's can cross it off the list.

It is important GSR's attend district and area events as much as they can and report back to their groups. Also if GSR's can bring celebrant names to the D10 meeting each month that would be awesome!

The 7th Tradition is posted in the chat: district10treasurer@aahmbny.org

The meeting closed at 7:50 pm with the Responsibility Pledge.
